Hermle Benchmark Centrifuge Warranty Certificate, 5 years

The Benchmark Five (5) Year Warranty program extends our Three (3) Year Warranty on Hermle Centrifuges for two (2) additional years. The two (2) year extension is a full powertrain warranty. "Powertrain" is defined as the centrifuge motor and its parts. The centrifuge motor and its parts are covered free of charge for five years from the date of purchase. Centrifuge must be purchased following April 1, 2017 to qualify. Benchmark Scientific, Inc (Benchmark) warrants all Hermle Benchmark centrifuges will conform to the applicable product specifications, will be manufactured, packaged and shipped in compliance with all applicable rules, regulations and standards, and in a manner to ensure its compliance with the specifications upon receipt, and will be free from defects in design, material or workmanship under normal use and service for a period of three (3) years from the date of delivery to customer. Customer will maintain records of this delivery. The Customer is responsible for learning and following the proper operating procedures for their centrifuge as explained in the operating instructions manual. Should a defect with the product occur within the three (3) year warranty period, Benchmark will cover the expense of parts and labor. If it is determined that either no fault exists in Benchmark, or the damage to be repaired was caused by negligence of the customer, its agents, employees or customers, the customer agrees to pay all charges associated with each such repair. THIS CONSTITUTES THE SOLE WARRANTY MADE BY BENCHMARK SCIENTIFIC, INC EITHER EXPRESSED OR IMPLIED. THERE ARE NO OTHER WARRANTIES EXPRESSED OR IMPLIED WHICH EXTEND BEYOND THE FACE HEREOF, HEREIN.
